SEO & SOCIAL PACKAGE \$250

On-page SEO Configured on up to 10 pages,

Join all Google Products and Social site links.

eSHOPPING SITE \$1500- 2500 p.o.a.

For a fully functional 10-50 product WordPress website with a shopping cart and payment gateway plugins, and all informational pages like about us, services, contact us - with SEO and Google Submission. We optimise the product images that you supply to us. We train you to manage your orders in the admin area, and reply to customers online.

Our prices have to be estimated individually, because each client has different requirements.

PRODUCT CATALOGUE \$490

If you have a WordPress site, and decide to add a catalogue without prices, then a Woocommerce Shopping plugin can be configured to do this. This is handy if no payment gateways or cart is required at the time. Our quoted price is for up to 30 products. P.o.a still applies due to variations in requirements.

CONVERT YOUR CATALOGUE \$390 -\$500

So if you are now ready to display prices and a shopping cart, this is a separate module for activating it. We add shipping details and plugins such as Payment Gateways, like Paypal. You would be responsible for setting up your bank merchant account. This module's price varies depending on how many methods of payment you want to have set up.

CONNECT 1 PREMIUM PLUGIN \$100

Includes placing a signup newsletter form on your website.

SITE MAINTENANCE \$50 PH.

If you need someone to be an admin person to perform system updates and maintenance on your website, and I can provide that service @ \$50 per hour, or train you how to do that yourself.

TRAINING ONE-ON-ONE \$50 PH.

Learn how to update and maintain your website backend.

ADHOC LABOUR \$50 PH.

Terms of Contract:

When signing contract to employ Webdesinz to build your site, we require the full 100% of the basic quote paid in advance, before we start. It is also understood you may want to add extra features as we go, we will quote that price, and you can pay for those at the end of the project, within 7 days of completion.

In some circumstances we can accept 50% before and then the balance within 7 days of completion of the project.

If you would like to know the full details of the Terms and Conditions of a Web Project contract, please contact me to discuss.

Where to buy Web hosting, Domain names, and Images:

Hosting is not included with our development costs. We can guide you to the most reasonable priced hosters of both web hosting and domain names. You would pay direct to them every 12 months.

Or you can pay us and we can purchase your hosting on your behalf.

Domain Names: prices range from \$35 – \$40 per annum.
